

South Campus Fire Drill Procedures

Exit Procedures

- Be familiar with exit route from your room.
- Students need to be in single file when exiting, with NO TALKING. Have one teacher lead the class, with another teacher at the end of the line.
- Close room door after you exit.
- Exit straight from the building to your designated area
- After you make sure that you have all your children, take the children to the baseball diamonds.
- Do not return to the building, until told to do so by Children's Ministries.
